- 10.07 A seniority list shall be established for employees covered by this contract based upon each employee's last continuous period of employment. A copy of such list will be provided annually for employees on the active payroll of the Company as of December 31st, and will be posted by January 31st. The Union may request from the Company a list of new hires and employee terminations as may be available from time to time.
- 10.08 An employee with seniority who is transferred from an occupational classification covered by this Agreement to salaried employment shall retain his seniority while so employed. Refusal to accept part-time recall shall not constitute a breach of contract or invalidate his right to recall to his occupational classification.

- 11.06 In the event of a difference of opinion on the administration of Article 11, the Shop Committee may request a meeting with the Company to discuss same.
- 11.07 When the Company recalls an employee even for a specific period of not less than four (4) hours, the Shop Committee shall be supplied with a copy of the Recall Letter as soon as possible thereafter.

21.02 Employees will be allowed to bank five (5) Statutory holidays, excluding Christmas Day, Boxing Day and New Year's Day as follows:

- (a) it is understood that the primary use of such banked days is for the replacement of income that may be lost due to illness while awaiting for weekly indemnity insurance to activate;
- (b) otherwise, the scheduling of banked days will be by mutual agreement between the employee and the Company;
- (c) the employee may use the days banked for vacation; such use will not take precedence over regular vacation and the scheduling of the additional days will be at the Company's approval.
- (d) the employee must notify the Company three (3) weeks prior to the Statutory Holiday of their intention to bank the day;

22.02 The parties agree the Company may substitute or designate another day for any of the Statutory Holidays mentioned above in accordance with service requirements.

23.04 It is recognized that it is not possible to establish standard formula for vacations which would be applicable to all departments since peak workloads do not necessarily occur at the same time of year. The only logical and equitable manner is to have the Company establish vacation schedules on the basis of local conditions at any given base.

preference dates in accordance with seniority and its service requirements.

23.08 Vacations, once awarded, may only be altered by an employee with the written concurrence of both the Company and any employee affected by the alteration.
